Technical Skills

Front End: HTML5 | CSS3 | Javascript | JQuery | Bootstrap | Materialize | Handlebars.js | React.js

Back End: Node.js | MySQL | MongoDB | Express.js | Sequelize.js | Firebase

Projects

Butterfly

- Educational/Institutional social messaging application intended to be a combination of Slack and Canvas. Allows teachers/managers to both communicate in an open forum and manage their students/employees in one application.
- Main contributor on a team of four developers
- **Duties:** Focused on creating the models for the user, streams and messages. Constructed both the backend routes and the frontend code that deals with retrieving and displaying all the information related to the user's streams and messages in that stream.
- **Technologies:** mongoDB, Mongoose.js, React.js, Passport.js, Express.js, Node.js, Handlebars.js, Bootstrap, HTML, CSS
- **Github:** <https://github.com/AllenDCooper/Butterfly>
- **Deployed Link:** <https://social-butterfly-app.herokuapp.com/>

Renegade Trailbrew App

- Gives user the five closest local breweries and top five hiking trails in the area based on your location.
- **Duties:** Focused on building the front end using materialize, css and jquery. Created all the functionality with relation to the storing and manipulation of data on a firebase database.
- **Technologies:** Google Maps API, Hiking Project API, and the Open Brewery API, Materialize, HTML, CSS, Firebase, JQuery
- **Github:** <https://github.com/TheGreekCuban/renegades-of-silicon-ally>
- **Deployed Link:** <https://thegreekcuban.github.io/renegades-of-silicon-ally/>

Bamazon Node App

- Back-end command line application that acts as a sales/inventory management system for a fictional Bamazon store.
- Three levels of authorization (customer, manager and supervisor)
- **Duties:** Constructed customer application, allowing user to view entire inventory with pricing. User can also purchase products. Constructed manager level application, allowing user to manage low inventory and add new items. Constructed supervisor level application, allowing supervisor to view total sales of a department, overhead costs and profits by department.
- **Technologies:** Node.js, MySQL and Inquirer.
- **Github:** <https://github.com/TheGreekCuban/Bamazon>

Professional Experience

Web Developer at Agave Property Ventures: *Newark, NJ August 2019 – Present*

- Currently building the Agave Property Ventures company website using the MERN stack
- Continuously maintaining and improving the site on behalf of the company
- Plans to create a mobile application using React Native by Summer 2020

Co-Founder at Agave Property Ventures: *Newark, NJ June 2018 – Present*

- Syndicated \$80,000 for the acquisition of Agave Property Ventures' first property
- Negotiated the acquisition of 42 3rd Street to a purchase price that created \$40,000 in equity upon closing
- Cultivated relationships with Newark Department Of Buildings and Housing Authority
- Successfully renovated the property and fully leased both units in under 8 weeks

Associate Director at Compass with The Abrams Retail Strategies: *Manhattan, NY August 2017 – February 2019*

- Represented the landlord of 168 Fifth Avenue, NY, NY to negotiate the lease of ZOLA, an e-commerce wedding registry business, for their first retail location.
- Represented Thomas Moser, a luxury furniture store, in the sublease of their retail space located at 1015 Madison Avenue, NY, NY. Subleased the space to Christopher Martin Art Gallery. The Abrams Retail Strategies Team. represented both sides of this deal.
- Represented the landlord of 900 Madison Avenue, NY, NY to negotiate the lease of the retail space to Zimmerman, a luxury Australian fashion brand.
- Successfully leased and subleased over 10,000 square feet of NYC prime retail space in just under two years.

Honors & Volunteer Work

Honored by the New York Times in The January 2017 edition as one of New York City's Dealmakers of 2016. The award was for the placement of TNH Development into their new office space at 45 Rockefeller Plaza.

Volunteered with Big Brother Big Sisters' Family Services Of Westchester Division starting in late 2018. Currently a mentor to a 13-year-old young adult with a focus on academics and sports.
